

# TENNIS

Dear Friends and Family of Bryant University Tennis:

This New Year brings new challenges for our Tennis Programs here at Bryant University. With our transition to Division I, we're facing stronger opponents, logging more miles on the road and recruiting stronger local, national/international players. It's a very exciting time and we're looking forward to this new beginning.

This spring season, we'll be diving into the world of highly competitive DI Tennis. In order to better prepare ourselves for this top level of play, we need your help. A donation of \$25 or more will help defray expenses not covered by our already limited budgets, including additional indoor practice time, additional tournament costs and equipment. Any amount you can give is appreciated, but just know that a little will go a long way especially when it comes to covering the costs associated with indoor court times.

We are proud of what we have accomplished as a program at Bryant, and will continue to build upon Bryant's tradition of excellence. We hope that you will help us reach our goals this year, too.

It would be great to see you out by the courts this spring season. Please check [www.Bryantbulldogs.com](http://www.Bryantbulldogs.com) for a schedule and complete coverage.

Thank you for your support and have a healthy and happy New Year! **GO BULLDOGS!!!**

*p.s. We hope that you will help us. And remember, your gift is tax deductible!*

**FROM THE DESKS OF  
HEAD COACHES BARBARA CILLI  
AND RON GENDRON**

Thank you for supporting our Tennis Programs here at Bryant University.

Sports are costly at the collegiate level, and as we transition into the Division I Northeast Conference, we need donations from family and friends to remain competitive.

We have a challenging schedule for the 2009 spring season and look forward to the excitement of Division I. We hope to see you out by the courts this season!

Many thanks for your generous support. **GO BULLDOGS!!!**
